

The British film industry

MT, M, IL, IC and EL
2A Alberelle secondary school

There are enormous spaces for filming at Pinewood studios

The 007 stage at
Pinewood is an
enormous film stage.

There are over twenty James Bond films

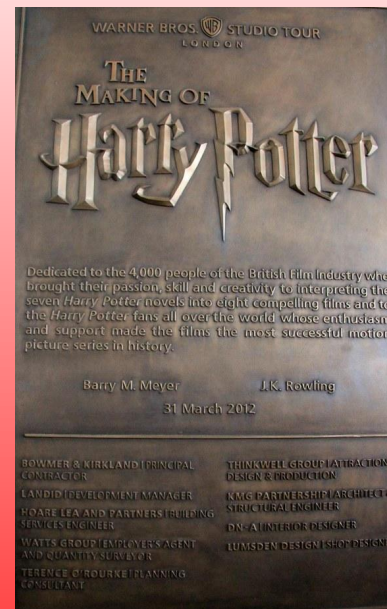

They made the
first James Bond
film, Dr. No, in
1962.

They filmed the Harry Potter films at the UK's Warner Bros. Studios.

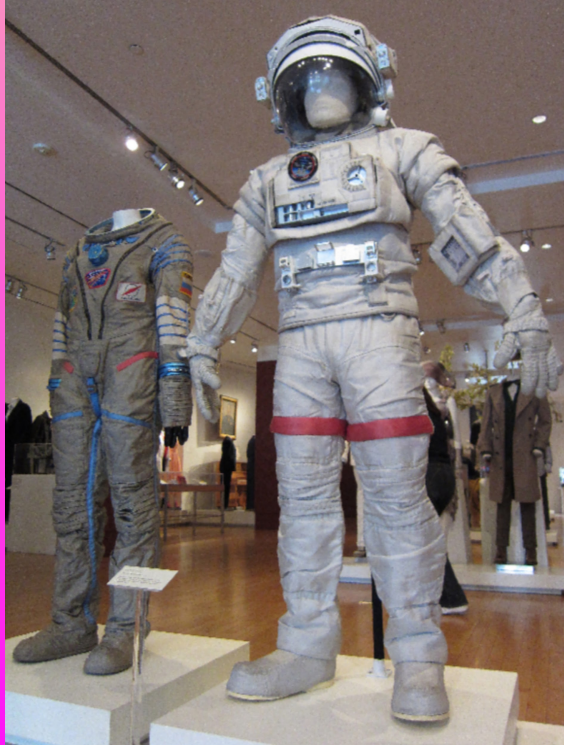

The Harry Potter films are popular all over the world.

Their location was the Warner Bros. Studios in the UK.

Harry Potter

THEY FILMED GRAVITY AT SHEPPERTON STUDIOS

The 2013 film Gravity tells the story of an astronaut who gets stuck in space, but Gravity's real location is the Shepperton film studios in the UK.

Tourists can now visit the old Harry Potter sets

Located next to the film studios where all eight Harry Potter films were made, the Studio Tour offers visitors the unique opportunity to explore two soundstages.

A LOT OF SPECIAL VISUAL EFFECTS COME FROM BRITISH DESIGNERS

Nearly 90% of the film is special effects.

Designers at a British effects company took three years to create the effects and they won an Oscar for their work!
